OUR SITE CAPABILITIES

- ▶ 24/7 Temperature Recording
- ▶ Back Up Generator
- ▶ Certified Endoscopy Unit within short distance or in-house (available at some GI sites)
- ▶ Certified Raters for Dementia and MDD/Bipolar/GAD studies
- ▶ CLIA waived diagnostic laboratory
- ▶ Complete pulmonary unit with spirometry, peak flow monitoring and Survey System Plus
- ▶ CTMS with capacity of eSource, eReg, eConsent and eISF
- ▶ Dedicated Liver Biopsy, MRI PDFF, MRE liver facility within 10-15 minutes
- ▶ Dedicated Pharmacists (Blinded & Unblinded)

- ▶ Double-lock refrigerators, Freezers (-20°C –and -70°C)
- ▶ EKG, Refrigerated Centrifuge
- ▶ Facilities for extended-stay pharmacokinetic studies
- ▶ FibroScan
- ▶ IBC Approval, Laminar flow hood and sterile drug preparation area
- ▶ Onsite GE Lunar Prodigy DEXA Scanner
- ▶ Onsite peripheral blood mononuclear cell (PBMC) isolation
- ▶ PCR Testing (Flu, COVID, RSV, GC/ Chlamydia, Trichomonas, Vaginosis Panel)
- ▶ Point-of-care testing for Urinalysis, Strep, Flu, Covid, Urine drug screen, Preg testing
- ▶ Secured investigational drug storage facilities
- ▶ Sleep Lab (EEG, polysomnography studies and MSLT's)

CUTTING-EDGE FACILITIES

At Epic Medical Research, our state-of-the-art facilities are equipped with the latest technology and staffed by top-tier professionals, ensuring precise, reliable, and groundbreaking clinical research outcomes.

COMMUNITY ENGAGEMENTS

We prioritize community involvement through educational initiatives, outreach programs, and partnerships that foster understanding and participation in clinical research, enriching health outcomes for all.

PATIENT TESTIMONIALS

Participating in the (diabetic neuropathy) study at Epic Medical Research has truly changed my life. The care and expertise provided by the team were outstanding. Thanks to their innovative approach, I have learned new ways to manage my condition, and my symptoms have significantly improved.

Mary Johnson

Joining the influenza vaccine trial at Epic Medical Research was an eye opening experience. The quality and expertise of the team were unmatched. I felt well-informed and supported on every step.

Ravi Kumar

I participated in the (sleep apnea) study at Epic Medical Research, and it was a game-changer. The integrity and professionalism of the staff were evident throughout the process. I now have a better understanding of my condition and effective treatments.

Aisha Ahmed

PATIENT TESTIMONIALS

Participating in the NASH study at Epic Medical Research was a transformative experience. The dedicated team helped me understand my condition better and provided me with effective strategies to manage it. Their commitment to quality care and attention to detail made a significant difference in my health. I now feel more in control and optimistic about my future.

Angela Harris

The (COVID-19) vaccine trial I joined at Epic Medical Research was a life changing experience. The quality of care and accuracy in their research made me feel safe and confident. Their dedication to medical advancements is truly commendable.

John Smith

Being part of the RSV vaccine trial has been transformative. The dedication to quality and accuracy at Epic Medical Research was evident, and their expertise helped me understand the importance of vaccine research. I'm grateful for the positive impact they've had on my health.

Jamal Brown

PATIENT TESTIMONIALS

Joining the obesity study at Epic Medical Research has been a turning point in my life. The team's expertise and personalized care were outstanding. They provided me with practical tools and support to manage my weight effectively. I have lost weight, gained confidence, and feel healthier than ever. The study's comprehensive approach truly empowered me to make lasting changes

Tyrone Jackson

Epic Medical Research's asthma study was incredibly beneficial. The team's expertise & attention to detail provided me with valuable insights into managing my asthma. I am grateful for their commitment to improving patient care.

Mei Chen

Participating in the GERD study at Epic Medical Research has been life-changing. I learned so much about managing my condition, and the team's dedication to quality care made all the difference. My symptoms have improved dramatically, and I feel healthier than ever. The study provided me with new strategies that I can use daily.

Shaniqua Thompson

PATIENT TESTIMONIALS

The pneumococcal disease study at Epic Medical Research was a remarkable experience. The expertise and attention to detail of the staff were evident throughout the process. I now have a better understanding of my health and effective ways to protect myself, thanks to their exceptional care. The study's comprehensive approach gave me confidence in my health management.

Darnell Robinson

The rheumatoid arthritis study gave me hope and relief. The quality and integrity of the research at Epic Medical Research ensured reliable results, and the team's expertise helped me manage my condition more effectively.

Sofia Martinez

Being part of the COVID-19 and Influenza combination vaccine trial was an empowering experience. The quality & integrity of the research conducted by Epic Medical Research were outstanding. I felt safe and informed throughout the process, & I'm proud to have contributed to such vital work for public health. The study's rigorous protocols ensured I received the best care possible.
